### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The instant claims are allowable for the reasons of record found in Applicant's Remarks dated May 31, 2005. Specifically, the prior art of record does not teach or suggest in general a personal cleaning composition that contains the specific components in the amounts required in the instant claims.

Accordingly, the claims viewed as a whole would not have been obvious to one of ordinary skill in the art at the time of the invention after viewing the prior art of record.

The examiner further notes that the provisional double patenting rejection of the instant claims over copending Application nos. 10/650,398 and 10/650,573 have been withdrawn in accordance with MPEP sections 804(I)(B) and 1490.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian P. Mruk whose telephone number is (571) 272-1321. The examiner can normally be reached on Mon-Thurs (7:00AM-5:30PM).
